

Twinpush 5-50

Informace o produktu	Nipple inserting machine
Skupina produkt	900
výška (mm)	1,080
Délka (mm)	1,200
Šířka (mm)	680
Ampér	10
Hertz	50

This is a semi-automatic PLC-controlled machine for inserting of fittings. It is quick, reliable and easy to use. A centering system assures that the hose is correctly aligned during the entire inserting process. TwinPush is equipped with two tool holders and an automatic tool change system, which allows you to assemble straight and elbow fittings easily without changing tools.
